

## 2024-2025 Public and Private Prekindergarten Providers List and Prequalification Status

### Purpose

PreK stakeholders should consult this list regularly to ensure that children may receive publicly funded PreK education for the current school year from providers who meet Universal Prekindergarten (UPK) prequalification requirements. The Agency of Education will post this list monthly on the [Universal Prekindergarten webpage](#). Please be certain that you are working from the most recent report. If you have questions relating to this list or anything related to eligibility to become a prequalified prekindergarten provider, please contact Wendy Scott, Universal Prekindergarten State Coordinator at [AOE.UPK@vermont.gov](mailto:AOE.UPK@vermont.gov).

### What Defines Vermont Universal Prekindergarten Education (UPK)?

UPK is the implementation of high-quality, effective instruction by licensed educators who use evidence-based practices within intentionally designed early learning environments. Early educators align curriculum with the Vermont Early Learning Standards while adapting experiences to support the full participation of each and every child to realize their full potential and promote positive outcomes.

### Using the Data Report

All public schools, private programs and family child care home providers, who are UPK prequalified for 2023-2024 are included in this list, with their respective renewal dates. Renewal dates are on a three-year cycle ending on June 30th of the renewal year. The Agency uses the names and towns of providers that are provided through the prequalification online application process. Please note, included in this version are new programs who have applied for initial UPK prequalification status. Any errors in spelling, name or town are due to data entry issues.
